TRINITY CHURCH

The facade of this church is one of the richest examples of ecclesiastical architecture in the city, the monumental work of H. H. Richardson. St. Gaudens statue of Phillips Brooks, rector of Trinity from 1869 to 1891, stands on the Huntington Avenue side of the church. In the cloister are stones from old St. Botolph's Church in Boston, England.

I came to Boston last PM
And tonight I came to this
church. I did not realize
how close I was to it
at home now. I may
stop at Lake Ind on the way
home tomorrow I expect
I will get to Penn. Dales
or Ind one not sure.
Maybe I will hear
from you when
I get home
